WHO WE ARE

AWPC WILD is a pioneering brand aiming to become one of Asia's and the world's most influential wildlife community platforms. With a mission to unite over 100,000 nature-centric communities including wildlife and ocean life, travel, and tech professionals from Asia and beyond, AWPC WILD is dedicated to celebrating the beauty and diversity of Earth's natural wonders. By the end of 2025, we aim to engage more than one million nature lovers globally while guiding 1,000 nature travelers on extraordinary wildlife and ocean life expeditions across Asia each year.

At the core of AWPC WILD is a unique blend of Nature, Data, and Technology—values that drive our mission forward. These principles define our approach, merging the timeless majesty of the natural world with the latest in digital innovation to inspire, educate, and connect a global community of enthusiasts. Our vision is to create a platform where nature lovers, content creators, and conservation advocates collaborate to amplify their collective impact.

A key focus of AWPC WILD is nurturing the talents of wildlife and ocean life photographers, filmmakers, nature-professionals and nature-driven content creators across Asia & globally. We offer them exposure, recognition, and opportunities, empowering emerging voices to share their breathtaking encounters with the world.

AWPC WILD is also deeply committed to contributing to conservation efforts centered on Asian wildlife & ocean-life. Our work spans organizing events inspired by nature, running wildlife tours & expeditions, curating workshops, exhibitions, wild expos, awareness campaigns, awards ceremonies, publications, releasing a wild TV channel and more, all aimed at building a community, raising awareness and taking action.

More than just a community, AWPC WILD is a movement to preserve and promote the wonders of wildlife and nature for future generations.

Join us as we redefine exploration and conservation in the digital era.

OUR VISION

In 2025, AWPC WILD aims to become the leading wildlife community brand in Asia and globally. We are committed to celebrating nature, both wildlife and ocean life, while using data and technology to shape a future-ready brand. Our expansion into Singapore, the UAE, and the USA by early 2025 will further solidify our global presence.

MISSION STATEMENT

AWPC WILD is dedicated to uniting a global community of 100,000 nature-focused professionals by 2025. We will select key representatives from over 30 Asian countries to expand our reach to the USA, Europe, Canada, Australia, South America, and beyond. Our travel division will curate unique wildlife experiences for 1,000 adventurers. Through our WILD HUB platform, we aim to reach 10,000 paid users worldwide by the end of 2025. Together, we will drive a transformative global movement for nature conservation and exploration.

and Global Operations

“AWPC WILD: Where Tradition Meets Innovation, Nature Meets Data, and the World Discovers Earth's Natural Wonders. In 2025, we aspire to become Asia's foremost wildlife brand, uniting a global community. Together, we will preserve our planet's beauty by harmonizing tradition with technology. Welcome to the wild side of life.”

"AWPC WILD was created to bridge the gap in establishing a globally recognized wildlife community, both in Asia and beyond. With Asia's vibrant nature enthusiasts and flourishing wildlife scene, it serves as the perfect launchpad for AWPC WILD's remarkable journey. Get ready for incredible growth!"

2018

The Seeds of Adventure

AWPC WILD took root in 2018, born from a casual conversation amidst a global network of wildlife enthusiasts. Our journey began with a shared vision and a passion for preserving the natural world.

2020-2022

Navigating Challenges and Seizing Opportunities

Despite the challenges posed by the pandemic, AWPC WILD thrived. We appointed country representatives, expanded our operations in Hong Kong, and forged strategic partnerships. Our commitment to conservation and community building remains unwavering.

**2024
and Beyond**

As we look ahead, AWPC WILD is poised for continued growth and innovation. We aim to become a leading wildlife community and inspiring platform for nature enthusiasts. Today, we're embracing the intersection of nature, data, and technology.
